CEB HIVE P.R.I.D.E

The countdown has begun and we are quickly approaching the start to a new school year. There is a buzz in the air with exciting classroom additions, increased technology opportunities for students, and a safety facelift in the front office. Our school is dedicated to continuing our journey for excellence for all students. To achieve this, we must have a partnership between students, parents, teachers, administration, and the community.

Please join us for a parent *What's the Buzz?* get together on August 11 from 5:30 - 6:30 p.m. Mrs. Lester and Ms. McIver invite you to join us in the cafeteria to get a first hand introduction to plans for the coming school year. Keeping You Informed

In an effort to keep families better informed, we will be using several formats:

- Planners will be sent home daily (grades 1-6).
- Wednesday folders will be green this year.
- Automated phone calls will be made about twice each month with updates. They will be brief, but our goal is to do this more consistently this year to get news out to families.
- Facebook will be used to share photos, student news, and school updates. Follow us on Facebook at www.facebook.com/cebengage
- Clay County app for Android and ios--WOW, there is an app for that! This app has many useful tools: FOCUS parent portal, breakfast and lunch menus, bus routes, CEB news, and District news. Get it all in one place. Shop the app store for Clay County Schools or scan the

qr code . The app also allows us to send push notifications to your phone.

- Classroom grades, interims, and report cards will be available on
- FOCUS Parent Portal. Grade reports are no longer printed.
